CIRCULAR**Subject Classes for 1 year B.E Students in Blended mode**

A Blended mode of classwork which is a combination of online and Offline, will be followed to 1 year B.E students w.e.f 01st February 2021. Some of the courses will be taught offline (i.e physical classes) for effective understanding of the concepts. A detailed timetable will be shared as soon as possible. Standard Operating Procedure (SOP) would be followed in the conduct of Physical classes. Students are informed to take the consent from the parents as per the format enclosed and have to submit the same to Dr. Madhusudhan, Professor, Mechanical Engineering (Faculty Coordinator for First Year B.E.) in Room no.106 of First Year block.

Further, students are informed that Mid Semester Examination (MSE-I) is scheduled on 12th and 13th February 2021 in offline mode.
